Redwood Area Schools' Hall of Fame

Guidelines

Established under the umbrella of the Redwood Area Education Foundation, the Redwood Area Schools' Hall of Fame is designed to recognize outstanding alumni, school staff, and community members who in some way have made a significant impact in our community or throughout the world. There are three categories under which someone may be inducted:

Alumni

Recognizes distinguished achievement among those individuals who received a diploma from or attended school within the Redwood Area School District. This would include those who attended:

- Belview High School
- Morton High School
- Redwood Falls High School
- Redwood Falls-Morton Area High School
- Redwood Valley High School

Staff/Faculty

Recognizes former employees of Belview, Morton, or Redwood Falls school districts who exemplify educational excellence and/or made a difference in lives of the students of the Redwood Area Schools. Nominees must have been retired for 3 years or no longer employed by the school district for 3 years to be considered for induction.

Community

Recognizes members from the communities of Belview, Morton, or Redwood Falls who are or were outstanding contributors to the local school district. Their willingness to contribute to the success of our students and school district was noteworthy and unselfish. While there are many people who are very involved in the community at large, this honor is reserved for individuals with significant involvement in our school district.

Requirements for Nominations

To be considered for the Redwood Area Schools Hall of Fame, the following must be submitted:

- Completed Nomination Form (attached)
- Completed Profile Form (attached)
- At least 3 additional letters of recommendation

The above documents should be mailed or delivered to:

Redwood Area Education Foundation
Hall of Fame
100 George Ramseth Drive

Or emailed to rbuyck@redwoodareaschools.com.

The deadline to be considered for the nomination year is March 31.

Selection

A selection committee comprised of community members, school staff, and Redwood Area Education Foundation members, review all applications annually and determine the inductees. Nominees not selected for induction are carried over to the following year. Nominations will be reviewed and considered for five years. Candidates may be re-nominated at any time.

Induction

Hall of Fame inductees are honored and inducted at an induction ceremony in the fall. Plaques depicting the inductees and their accomplishments are displayed in the Redwood Valley Middle School/High School building.
